Hello Libertarians,

Last week I told you about our convention. Once again, from myself and the outgoing and incoming Executive Committee and the Convention Committee, thank you for being a part of one of the most successfully attended conventions in party history.

Due to bylaw 8.3 subsection 8, we were not able to nominate a candidate for Governor at the convention this year. Subsequently, our Chair, Chris Holbrook, resigned before the convention's adjournment. We had time constraints on using the hall at the Renaissance Hotel, and we were already over schedule by an hour. Because of this, a motion to adjourn the convention was made, seconded and passed before accepting Chris' resignation.

Per bylaw 5.9, the outgoing Executive Committee held a special meeting on Monday, April 11, 2022, at 6:30 p.m. to officially accept Mr. Holbrook's resignation and elect a new Chair. Per bylaw 5.12, the outgoing Executive Committee, Chaired by Mason McElvain, nominated Charles Kuchlenz, to which he accepted. The board then unanimously voted for him, officially making Charles our new Chairman. Please take time to congratulate him on his new position!

On behalf of the LPMN, I would like to take a moment to thank our former Chair, Chris Holbrook. Chris has many years of service on the Executive Committee. His time as Chair has grown our party to where it is today. I see his resignation not as a negative but as a gained advisor, activist, and overall resource to help us for many years to come.

The incoming Executive Committee will be having its first meeting on Monday, April 18, at 7p.m. at our office in Golden Valley. We will also have a Zoom link available for members who want to attend virtually. We will be addressing our Vice-Chair vacancy and other party business.

I look forward to working with our new leadership towards a great 2022-23. This fantastic group of hard workers will ensure we maintain our "Minor Party" status and beyond!

In Liberty,

Anthony J Williams  
Executive Director
