

2024 LPMN Caucus Straw Poll – Vote for One

Some would say this is a cluttered ballot. Not us! Voters deserve more choices. We include everyone who filed a [“Statement of Candidacy”](#) with the FEC to run for president as a Libertarian, except for yahoos who listed Ivanka Trump, Barack Obama and Gavin Newsom as running mates, or named USA Liberal Social Democrats as their campaign committee. We encourage you to “do your own research” and have provided websites and social media links that appear to be associated with the candidates.
